

Heavy-Duty Wall Mounted Cable Safety Hanger

Product Description

- Elevates cables, power leads, and hoses off the ground to help eliminate trip hazards and improve workplace safety
- Six-compartment design supports multiple cable and hose sizes, holding up to 8 power leads and 2 air hoses
- Protects cables and hoses from wear, dirt, mud, water, and other job site hazards
- Securely mounts to walls and structures using a three-screw fixing system (two upper, one lower)
- Quick and easy to install for both temporary and permanent cable management applications
