What We Deliver

A portfolio of industrial safety solutions designed for daily use in facilities where clarity, consistency, and reliability matter. From signage and hazardous energy control to PPE and customization, ZING helps teams standardize safety without sacrificing performance or professionalism.

- ✓ **PPE** including safety glasses, gloves, and protective clothing designed to be stylish, comfortable, and durable
- ✓ **Custom Imprinting** options to support your program, facility standards, or brand
- ✓ **Lockout/Tagout** devices engineered for dependable hazardous energy control
- ✓ **Safety Signage** that is highly visible, consistent, and built to last
- ✓ **Emergency Eyewash and Safety Showers** meet the highest standards of performance, reliability, and compliance

ZING Green Safety Products is Built for Distributors!

Why Partner With ZING Green?

Eco-Friendly Advantage – We offer a strong lineup of products made from recycled and sustainable materials, supporting organizations' safety and environmental goals.

Made in the USA – Our robust line of U.S.-made products enhances supply chain stability and helps us meet customer needs with speed and precision.

Competitive Pricing – We manufacture all Z-FORCE products in top-quality factories and leverage high-volume purchasing of name-brand products to provide our distributors with reliable supply and highly competitive pricing.

Proven Quality – Trusted by leading companies, government agencies, and safety professionals nationwide.

Marketing Support – Access to catalogs, digital assets, and co-branding options.

Fast & Reliable Shipping – U.S.-based distribution with responsive customer care.

Partnering with ZING offers:

- ✓ \$1,000 Free Freight Targets
- ✓ Drop Ship Capabilities
- ✓ Low Order Minimums
- ✓ Ease of Doing Business

Your Single Source Custom Imprint Partner

We Bridge the Gap Between Manufacturers and Distributors

As a master wholesaler, Zing Green Safety Products purchases large volumes of leading brand-name products directly from manufacturers and supplies them to distributors.

We buy in bulk so you don't have to.

Our streamlined model:

- ✓ Reduces inventory burden
- ✓ Minimizes handling and overhead
- ✓ Provides faster turnaround times
- ✓ Simplifies custom imprint solutions
- ✓ Access to a wide product range

Built for efficiency and designed for growth, our wholesale model empowers you to move faster, operate leaner, and compete smarter in today's marketplace.

And many more of your favorite brands!

High Quality, Built to Last, Sustainable

Z-FORCE™
by **ZING**

**Where Safety Meets
Sustainability
at No Additional Cost**

At ZING® Green Safety Products, we make it easy for you to bring high-quality, eco-friendly safety products to your customers.

Eco-Responsible from Start to Finish

Expand Your Eco-friendly Product Range

Select styles featuring sustainable materials—delivering the protection your customers trust with a smaller environmental footprint.

Product meets a minimum bio-based content percentage set by the USDA

STANDARD 100

Tested for harmful substances; safe for human contact

Reduce Packaging Waste

Our smart, recyclable cartons and low-plastic polybags help you meet corporate sustainability goals and appeal to environmentally conscious buyers.

Independently verified environmental claims
